

EROAD's TERMS – New Zealand

A. INTRODUCTION

EROAD provides Hardware and related Services and Applications for the purposes of providing tax management, compliance and commercial services. These Terms explain EROAD's obligations in the provision of the Hardware, Services and Applications and your obligations as EROAD's Customer.

Some Services (e.g. EROAD's electronic road user charging and off-road claims, EZfuel Report, Over Speed Reports, Fleet Activity) require you to have Hardware installed in your vehicles. In this instance, you may either:

- (i) rent the Hardware and access Services in a bundle from EROAD for a monthly fee; or
- (ii) purchase the Hardware and pay EROAD a monthly fee to access Services (please note some Hardware may be available on a purchase option only).

Other Services (e.g. Driver Vehicle Inspection Reports, Electronic Logbooks) may be made available by EROAD to you and your drivers (for a Fee) for access on portable smart devices via EROAD's Applications.

B. AGREEMENT STRUCTURE

The Agreement is made up of the following:

- (a) these Terms, which contain general provisions that apply to all Hardware and Services provided to you under the Sales and Services Agreement. These Terms may change from time to time in accordance with clause 12.6. For the most up to date copy see our Website;
- (b) a Sales and Services Agreement, which is each agreed quote that describes the Hardware and Services we will provide to you; and
- (c) where applicable, an End User Licence Agreement.

On signing a copy of the Sales and Services Agreement, or having Hardware installed in your Vehicle(s), or by accessing the Services, or downloading an Application, you accept and agree to be bound by the Agreement.

C. IMPORTANT

It is important that you read the Agreement in full prior to using EROAD's Hardware, Services or Applications, but some points we want to bring to your specific attention are:

- (a) **Minimum Term** – our Services are subject to a Minimum Contract Term which is specified in the Sales and Services Agreement. If you want to return any Hardware or stop using the Services after the Commencement Date but before the end of the Minimum Contract Term, you can, but you must return the relevant rented Hardware and pay the associated Early Termination Fees. We explain this in more detail in clause 5.12 below.
- (b) **Renewal** – unless communicated otherwise, at the end of the Minimum Contract Term specified in the Sales and Services Agreement, the Agreement will automatically renew for successive 12-month periods. Each Renewal Term is treated as a new Minimum Contract Term. We explain this in more detail at clause 9.1(c) below.
- (a) **Privacy** – EROAD cares about your privacy and the privacy of your drivers. We collect Data and use this information to continually provide you innovative products and services tailored to your needs. If you want to know more about how we collect, use, store, disclose and protect personal information, please read our [Privacy Policy](#).
- (b) **Hardware is not transferable** – this Agreement is between you and us. If you sell or otherwise dispose of your Vehicle(s) you will still be responsible for meeting your obligations under this Agreement for the Hardware unit(s) (and the associated Services) installed in the sold or otherwise disposed of Vehicle(s), unless we agree otherwise in writing. This means that you (not the new Vehicle owner) are responsible for continuing to pay us any applicable Fees, Hardware Price, Additional Fees and Early Termination Fees.

- (a) We will provide Services to you with reasonable care and skill. However, while we intend to make the Services available 24 hours a day, 365 days a year, we cannot guarantee that the Services will be continuous, fault free or available at any particular location because:
 - (i) the Services may be unavailable at times due to maintenance, repairs, upgrades or modifications to Services. Where such interruptions are scheduled, we will use reasonable efforts to provide advance notice on the Website and try and keep such unavailability to a minimum; and
 - (ii) the Services depend on availability and proper performance of third party systems and networks, such as computer networks, mobile networks and the Internet, as outlined in clause 3.

2.3 Customer Support. We provide a number of self-service customer support channels which are detailed on the Website. You agree to use these self-service customer support channels as a way of initially diagnosing and resolving concerns you have with EROAD's Hardware or Services. If you are unable to resolve your concerns via these channels, you can contact EROAD. EROAD or a third party engaged by us will provide a reasonable level of advice by remote means on how to remedy any problem with the Services and Hardware.

2.4 Changes to Hardware and Services. EROAD reserves the right to make changes to the Hardware and/or Services without notice and without incurring any obligation to you, provided that any such change does not materially diminish the functionality of the Hardware and/or Services, as applicable.

3. NETWORK DEPENDENCIES

3.1 GPS Networks. The Hardware units receive signals from Global Positioning Satellites (**GPS Networks**) and use cellular telephone technology as the transmission mode for sending signals to EROAD. EROAD has contracted with one or more wireless carriers (**Wireless Carriers**) to provide data transmission services for the Hardware units over a cellular telephone network.

3.2 Signal Interruption. You acknowledge that it is improbable that GPS Networks or Wireless Carriers will have 100% coverage or functionality in any area at all times due to many conditions, including:

- (a) wireless transmission range and capacity limitations and cellular telephone network capacity limitations;
- (b) atmospheric, terrain and geographic conditions;
- (c) other natural or artificial environment conditions or events beyond EROAD control;
- (d) government regulations or limitations;
- (e) restrictions by the Wireless Carriers (for example, inter-carrier roaming agreements);

- (f) usage concentrations, modifications, upgrades, relocation and repairs of transmission facilities for the cellular telephone network;
- (g) absence of a clear line of sight between the Hardware and the GPS Networks;

EROAD will only be liable for loss of functionality of the Services caused by, or within the control of EROAD, its officers, employees, agents or subcontractors.

3.3 No Failsafe Performance. You acknowledge and agree that the Hardware and Services may not be fault tolerant and are not designed, manufactured or intended for use or resale as, or in, online control equipment in hazardous environments and/or requiring failsafe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure thereof could lead directly to death, personal injury, or severe physical or environmental damage.

3.4 No Third-Party Relationships. You acknowledge and agree that you are not a third-party beneficiary of any agreement between EROAD and the Wireless Carrier (or, where applicable, an agreement between a Third Party Provider and the Wireless Carrier). You have no property right in any telephone number assigned to the Hardware and you understand and agree that any such number can be changed from time to time. EROAD will advise you of any such changes in writing prior to the change taking place.

4. CUSTOMER'S RESPONSIBILITIES

- (c) keep the Hardware installed in the Vehicle(s) (where the Hardware was supplied for the purposes of an installation in a Vehicle) and not transfer the possession of the Hardware without our prior written approval;
- (d) on request, make the Hardware available to EROAD or a Third Party Provider for inspection, repair and replacement;

5. CHARGES, HARDWARE PRICE, FEES AND PAYMENT

5.1 Credit Approval. We rely on you to be able to pay your invoices on time. In some cases, you may need to provide a Guarantee or a Bank Instrument as security for paying future charges or pay a Bond. We may also obtain, or require a third party to perform, credit checks. You authorise us to obtain or require a third party to perform credit checks at any time on you (including your directors) or on your guarantor(s) or both. You warrant that you have authority of your directors and guarantor(s) to provide their details to us for the purposes of performing credit checks. You will supply complete, accurate information for the purposes of any credit check. We may refuse to provide Hardware or Services as the result of a negative credit history. If we refuse to supply Hardware or Services, we will refund the unused portion of any prepaid Fees.

5.2 Bond or Bank Instrument. Where we require you to pay a Bond or provide a Bank Instrument, the Bond or Bank Instrument must be paid or provided (as applicable) to EROAD within 7 days of the request. Payment of the Bond or provision of the Bank Instrument does not discharge your obligation to pay the Hardware Price, if applicable, and Fees that are due. EROAD may draw down on the Bond or make a demand under the Bank Instrument at any stage for any breach of the Agreement, including where you fail or refuse to pay the Fees, your RUC obligation, or you damage the Hardware. Failure to pay the Bond or provide the Bank Instrument when requested by EROAD is a material breach of the Agreement.

5.3 Hardware Price. Where you purchase the Hardware from us, you will pay all our charges in relation to the Hardware Price. Hardware Price will be detailed in the Sales and Services Agreement. If any Hardware Price has not been detailed the charge will be at our standard retail recommended price for such Hardware, or at such rate as otherwise advised by us from time to time. Where you purchase the Hardware and any associated accessories you will also be required to pay the Fees to access the Services and Additional Fees, such as freight or accessory charges.

5.4 Our Fees. You will pay all our Fees and Additional Fees in relation to installation of Hardware, renting the Hardware (if applicable) and accessing the Services (including, where applicable, the RUC Payment Services). Fees will be detailed in the Sales and Services Agreement. If any Fees have not been detailed the charge will be at our standard price for such Hardware rental and Services access, or at such rate as otherwise advised by us from time to time. You will also pay Additional Fees as advised by us from time to time, for example travel costs in relation to installation or repair of Hardware and freight charges.

5.5 Reimbursement. You will reimburse us for any costs incurred by us in providing support services where we determine that those support services do not form part of the Services, being in relation to any third-party product or Hardware and/or Services provided to you as part of a pilot.

5.6 Commencement of Invoicing and Minimum Contract Term. We may begin invoicing you for Additional Fees (such as account activation and installation fees) on and from the Commencement Date.

The Minimum Contract Term and invoicing will commence for the Hardware and Services at the earlier of:

- (a) 1st of the month 30 days after the date that the first unit of Hardware is dispatched to you;
- (b) the date that the first Hardware unit is installed in a Vehicle; or
- (c) the date Services are first made available to you.

5.7 Invoicing and Payment. Invoices will contain:

- (a) if you are purchasing the Hardware, the Hardware Price (on the first invoice) and the Fees for the use of the Services; or
- (b) if you are renting the Hardware, the Fees for the use of the Hardware and Services;
- (c) if you are purchasing standalone Services, the Fees for the Services; and
- (d) any Additional Fees.

We will issue invoices either monthly in advance or in arrears for certain Hardware and Services invoiced on a usage-basis and overage charges. All invoices are payable within 14 days of the invoice being issued. You must pay the invoice in the manner specified in the invoice or as otherwise outlined on the Website.

5.8 RUC Obligations. You may choose to purchase RUC Licences through EROAD by using EROAD's payment gateway (the **RUC Payment Service**). In this case, the cost of RUC Licences will be additional to the Fees, Hardware Price and Additional Fees. You agree to reimburse EROAD for any expenses incurred by us in respect of your failure to meet your RUC obligations, including paying for your RUC Licences. If you fail to meet your RUC obligations, we reserve the right to change your RUC Licence payment method, cancel the RUC Payment Service or terminate this Agreement immediately on written notice.

5.9 RUC Payment Service. Subject to clause 5.8, where you choose to use the RUC Payment Service you:

- (a) authorise EROAD to withdraw from your designated account at the required times, or to charge the credit card supplied by you to EROAD, the appropriate amounts for the RUC Licence;
- (b) authorise EROAD to obtain your RUC Licence data from the relevant Organisation;
- (c) will provide accurate bank account or credit card information to EROAD to allow us to process the transaction for the RUC Licences;
- (d) will maintain active and accurate payment authorisations with EROAD;
- (e) will maintain sufficient funds in your designated account to cover your RUC obligations; and
- (f) will be responsible for, and pay, any penalties or interest to the Organisation (or EROAD, if charged to EROAD in respect of Customer) related to any improper document filing, payment shortage, or late payment.

5.10 Disputed Charges. If you wish to dispute in good faith any item or part of an item in a tax invoice issued by EROAD (**Charges**), you must notify us within 2 months of the date of the relevant invoice. Should you fail to notify us of the dispute within this period you will not be entitled to dispute the Charge or make any claims against us in relation to the disputed Charge. You may withhold payment of a disputed Charge if you:

- (a) pay all undisputed Charges by the due date, or if no due date is specified, within 14 days of the invoice date; and
- (b) co-operate with us to promptly resolve the disputed Charge.

If we agree there is a mistake, we will adjust your next invoice or, if appropriate, provide a refund. If we find, acting reasonably and in good faith, there is no mistake we will provide you with the reason for our decision in writing and, if the due date for payment has already passed, you must pay the amount outstanding within 7 days of us issuing the decision.

5.11 Late Payment. All Charges which are:

- (a) not subject to a genuine dispute but remain unpaid 14 days after the due date for payment; or
- (b) disputed under clause 5.10, but which we have determined do not contain an error, that remains unpaid 7 days after the date of our notice to you under clause 5.10,

are subject to interest charged on a monthly basis from the due date for payment until the date on which you make payment in full to us at the Interest Rate plus 3% per annum or the maximum rate permitted by law if less. In addition to such interest, we may appoint an agent to collect any overdue Charges. You agree to pay any costs that are incurred by such agents in recovering the money you owe or in exercising any other rights, including recovery of commissions and legal costs on a solicitor and client basis. If you fail to pay any undisputed Charges 30 days after the due date for payment, you will be in material breach of this Agreement. These remedies are without prejudice to any of EROAD's other remedies under the Agreement or otherwise.

5.12 Early Termination Fees. If the Agreement is terminated, or you cease renting the Hardware or stop accessing the Services, on or after the Commencement Date but before the conclusion of the Minimum Contract Term, then you must pay EROAD an Early Termination Fee for the Hardware and the associated Services. The Early Termination Fee is an amount equal to the total amount of Fees that would have been payable by you for the Hardware and the associated Services specified in the Sales and Services Agreement for the remainder of the Minimum Contract Term had the Agreement not been terminated or had you not ceased renting the Hardware or accessing the Services.

- 5.13 Changes to Fees.** Subject to clause 5.14, we may change the Fees that you must pay by notice in writing to you. However, if we do so, within 30 days of us telling you of the change, you can terminate this Agreement in accordance with clause 9.3 without paying Early Termination Fees. However, at least one month prior to the expiry of your Minimum Contract Term or the applicable Renewal Term, we may give notice that, on and from the commencement date of the subsequent Renewal Term, the Fees will change to our then standard casual rates. Unless you give us notice in accordance with clause 9.1(c), you will be liable to pay such Fees for the duration of the subsequent Renewal Term.
- 5.14 CPI.** Notwithstanding clause 5.13, by giving at least 30 days' notice, EROAD may increase the Fees once per annum (but not during the first 12 month period after the Commencement Date), provided that the percentage increase of any such increase does not exceed the percentage increase in the CPI for the period from the date of the last such increase, or in the case of the first increase, the period from the Commencement Date.
- 5.15 Set Off.** Any credits, allowances or other amounts payable or creditable by us to you will be subject to set off against any claims or other amounts owed by you to us.
- 5.16 Upgrades.** If you request to purchase or rent additional Hardware or Services, or new Hardware or Services released by us, additional charges and a Minimum Contract Term will apply.
- 5.17 GST.**
- (a) If GST is payable on a supply made under or in connection with this Agreement, the party providing the consideration for that supply must pay as additional consideration an amount equal to the amount of GST payable on that supply.
 - (b) Unless otherwise stated, all amounts referred to in this Agreement, including the Fees, are stated on a GST exclusive basis.
 - (c) If an adjustment event occurs in relation to a supply made under or in connection with this Agreement, the GST payable on that supply will be recalculated to reflect that adjustment and an appropriate payment will be made between the parties.
 - (d) In providing an invoice in accordance with clauses 5.6 and 5.7, a party shall provide proper tax invoices if GST is applicable to the Fees.

- (d) will provide all information and do all things that we may require to ensure that EROAD has a perfected security interest in respect of the Secured Property under the PPSA; and
